FTO REPORT:

Jese humne ksi product kke baare me poocha to usne ye to bataya kii wo exist karta hai but it also gives us back ki konsa sabse jyada wala matching hai aur uske thode details de deiye

An FTO analysis could search relevant patents and identify:

- Existing patents covering similar formulations/processes
- Whether those patents are **active, expired, abandoned, or pending**
- Which **claims** could potentially overlap
- Relevant jurisdictions
- Patent owner/assignee
- Expiry dates
- Potential areas requiring professional/legal review

also ek option for downloading a pdf report jisme ki saare existing ideas ho with overlapping percent in it and saath me and TKDL concordance tables.

Tkdl concordance table is: The **TKDL Concordance Table** (or IPC-TKRC Concordance List) is a critical classification tool developed to link India's Traditional Knowledge Resource Classification (TKRC) codes directly with the global International Patent Classification (IPC) symbols.

templates of filing patent ki tarah aur bhi templates hoti hai jese templates for PRE GRANT OPPOSITION, post grant opposition

WHAT MORE WE CAN DO IS KI ABHI USER SE DATA LE KI KYA EVIDENCE HAI USKE PAAS ,WHAT ALL HE HAS AND THEN BATAYE KI IS IT VALID FOR HIM TO FILE PRE GRANT OPPOSITION YA POST GRANT OPPOSITION..
